INTERNSHIP CERTIFICATE

02 October 2021

This is to certify that **Mr. Nithin Jose** was an intern of Firstbyte Digital Solutions LLP. The period of the internship was three months, starting from June 2021.

During his tenure here, Nithin got acquainted with the patterns and best practices of back end development using NodeJS. He also contributed significantly to the development of one of our products. His work included the conversion of technical specifications to API endpoints, backend connectivity, and integration with various third party services. He worked with technologies such as NodeJS, ExpressJS, TypeScript, PostgreSQL, Sequelize, Git etc.

We are satisfied with his sincerity and performance and wish him a successful career ahead.
